

3. The successful tenderer will be required to execute an agreement, within a week from the date of acceptance of tender for the fulfilment of the contract, and to deposit Rs. 4,000 for Bangalore (Rs. 2,000 for kulthi and Rs. 2,000 for chenna), Rs. 2,500 for Mysore and Rs. 500 for Shimoga. The amount deposited will be returned to him on the fulfilment of the contract at the end of the term.

4. When horses, ponies or mules leave any station for manœuvres or other duty within the Province, the contractor at that station will, if necessary, be required to supply until their return to headquarters, the grain needed at the contract rate.

The cart-hire and other extra charges on such occasions, should be borne by the contractor himself, if the number of animals leaving the station is not less than 8.

5. The Squadron Commander of each Regiment will indent on the contractor for the quantity of grain (cleaned as described above) required per day and the contractor will supply the quantity indented for, daily at the Sowar Lines at Bangalore, Mysore and Shimoga, and obtain receipts.

6. The contractor will present his bills once a month for supplies made by him during the month, to the Commanding Officer at the station, who will arrange for payments of the amount due to the contractor.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and the deposit forfeited to Government.

8. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.

9. Probable quantity required, ordinarily, at Bangalore—

- (1) For horses, 1,000 seers gram and 2,000 lbs. chenna daily.
- (2) For ponies and mules, 500 seers gram daily.

At Mysore—

Gram 1,800 seers per day.

At Shimoga :—

Gram 200 seers per day.

N.B.—Should any necessity arise for feeding the animals of any regiment on full ration of any one of the grains, the respective contractors should be prepared to supply the required extra quantity of the grain.

R. PUTTANNA,

For Chief Commandant, Mysore State Troops.

WATER-SUPPLY AND STORES DIVISION.

Notice dated 22nd December 1911.

1. Notice is hereby given that tenders will be received at the Office of the Executive Engineer, Water-Supply and Stores Division, till the 25th January 1912 for the supply of—

- (1) Plain and galvanized pipes and fittings (English manufacture).
- (2) Hardware :—Iron, steel, brass and other metals :—
for the calendar year 1912.

2. Separate tenders should be sent for items 1 and 2 as noted above.

3. Each tender should be accompanied with an earnest money of Rs. 250 in cash or Government Pro-notes and should be sent in sealed covers superscribed—

- (a) "Tenders for the supply of pipes and fittings"
- (b) "Tenders for the supply of hardware and metals"

4. Tenders from our *bona fide* shopkeepers and merchants maintaining stock in Bangalore will be accepted. Commission agents and others need not apply.

5. The supplier should undertake to maintain a moderate stock in Bangalore of the materials required and should agree to comply with orders from the Executive Engineer, Water-Supply and Stores Division, within twenty-four hours on receipt of order.

6. Parties tendering should specify (in detail for each item) the rate at which he will supply the materials. The rate so tendered will include cost of delivery of the articles at the Stores of the Executive Engineer, Water-Supply and Stores Division.

7. Parties tendering should be prepared to supply the Executive Engineer, Water-Supply and Stores Division, with samples of materials proposed to be supplied by them on receipt of a requisition from that officer to that effect.

8. All supplies of articles should be exactly as per samples approved of and such of them as are different in quality from the approved samples will be rejected and the supplier shall forthwith remove them and procure and supply materials of the approved quality within the next twenty-four hours.

9. The quantity of the different sorts of materials required during the year cannot be guaranteed.

10. The final acceptance of the tenders rests with the Superintending Engineer, Southern Circle, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatsoever for the rejection of the tenders.

11. On the acceptance of one of the tenders the earnest money of the others will be refunded.

12. Detailed list of articles grouped in Nos. (1) and (2) tenders are noted in the following statements:—
